PRATIRAV

BULK MAIL SENDING TOOL

TEAM - TECHNICAL OPERATIONS

Mailer is a tool for efficiently sending emails to hundreds of recipients with a single click, using Nodemailer and Express.js. Users can upload a CSV file for bulk emailing and customize the sender's details, subject lines, body, and attachments. To avoid spam filters, emails are sent individually with a 10-second interval. Real-time notifications provide instant success or error messages, making it perfect for marketing campaigns, event invitations, and mass communication.

PACE

TEAM - RISE | 6TH MAY - 7TH JUNE

The PaCE'23 Impact Report outlines the "Parents as Co-Educators" (PaCE) program, a month-long initiative held from May 6 to June 7, 2024. The program was designed to strengthen parent-child bonds and reduce screen time for children through a series of engaging, nature-themed activities aligned with NEP 2020. Activities were shared via YouTube and WhatsApp, and parents were encouraged to actively participate with their children. The program saw significant engagement, with 181 registrations and over 300 video views. Feedback highlighted its positive impact on emotional well-being and holistic development.

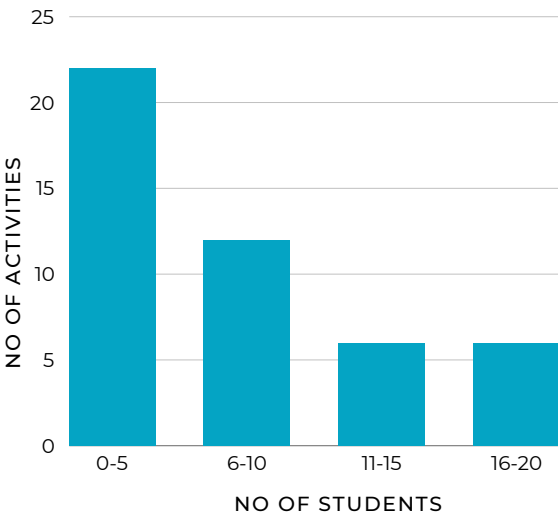

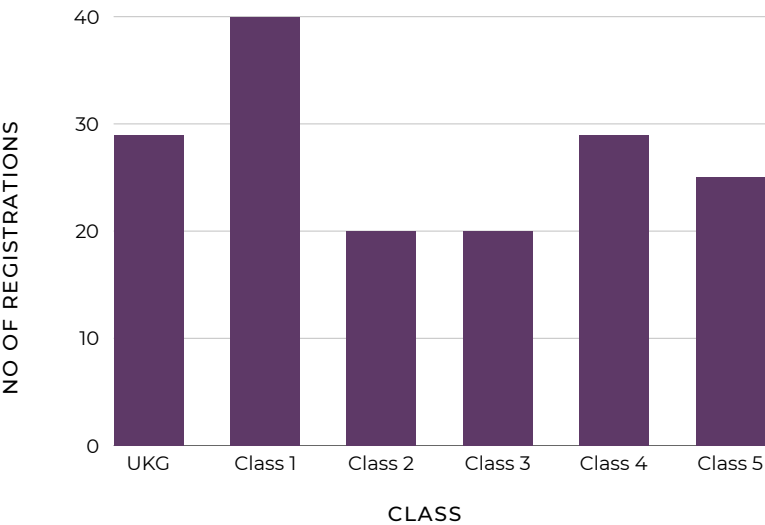

Program Need

Addressed post-pandemic challenges like increased screen time and reduced parent-child interaction through creative activities.

Implementation

Activities were shared via YouTube and WhatsApp, involving **150+ students**, with content available in English and Hindi.

IMPACT & INSIGHTS

STATES OF STUDENT PARTICIPATION

181 registrations, **39** certificates awarded, and **300+** video views. Parents provided positive feedback, with some suggestions for improvement

**181**
Registrations

**39**
Caertificates

Feedback: Parents appreciated the bonding and learning benefits, suggesting shorter duration and improved communication

Outcomes: 181 registrations, 39 certificates awarded, and 300+ video views. Parents provided positive feedback, with some suggestions for improvement

RATINGS GIVEN BY STUDENTS

181 registrations, 39 certificates awarded, and 300+ video views. Parents provided positive feedback, with some suggestions for improvement
