**"There is no greater joy nor greater reward than to make a fundamental difference in someone's life."**

## A Foreword

It is unfortunate that some people struggle hard to acquire even basic amenities while others over-enjoy these necessities. We believe that most of the time it's the ignorance of their capabilities that restricts their social and personal advancement.

We urge people to take a better stance by providing them education, employment, insight to think high and improve standard of living by self-effort rather than directly providing them money. With our initiatives like Jagriti Vidya Mandir, LIGHT, PRAYAS we focus not on helping people financially, but we are determined to provide them employment, education, insight to think high and improve standard of living by self-effort.

Here is a summary of the activities that GYWS carried out in 2023-2024.

GYWS is thankful to all the kind donors for their generous support to our organisation and students who served GYWS with unparalleled dedication and helped us to make our efforts fruitful.

# Words That Matter

## From the Desk of President

"The society is fortunate to have some young Samaritans who have always committed themselves for the humanitarian cause of uplifting the condition of the poor and enlightening the future generation, let all of us join our hands together to make this endeavour, envisaged to help the needy aspire for a better future, become a success."

Prof. Madhusudan Chakraborty

Former Director, IIT Bhubaneswar

## From the Desk of Ex-President

"Since its establishment in 2002, Gopali Youth Welfare Society has successfully launched and carried out several training and development activities in and around Gopali. In the past we have established rural libraries providing vocational training to the people from under-privileged sections of society besides carrying out several awareness generation programs. We will strive to continue with this program while expanding our base. We have been helped in the endeavours by our advisory members and the local population. We express our gratitude to them and our well wishes."

Ms. Suparna Mondal

Former President, Gopali Youth Welfare Society

## From Eminent Personality - 1

"Having attended some GYWS events, the determination of the students to make a change amazes me. This is worth applause that they have taken the initiative to work for the underprivileged. I feel privileged to have such students on campus who seek to give back to society. Hope to see GYWS as well as other students come forward with more such initiatives."

**Prof. Partha Pratim Chakraborty**

**Former Director, IIT Kharagpur**

## From Eminent Personality - 2

"I was happy to see the diverse activities being taken up by the Gopali Youth Welfare Society. The social commitment being continuously shown by the students and faculty of IIT Kharagpur to share knowledge and time with the inhabitants of Gopali and its surroundings is laudable. I was also impressed with the details of expenditure for the last few years which they have displayed on the website. I wish them all the best and send my good wishes."

**Mr. Sailesh Gandhi (IIT Bombay, '63 batch)**

**Former Chief Information Commissioner,  
Government of India.**

## From Eminent Personality - 3

"I would like to recognize GYWS at IIT Kharagpur at which I found out about when I visited PAN IIT GLOBAL CONFERENCE 2012 and what I said was about, you have got to establish a cause you would like to give back to and I'm extremely happy this organisation exists within IIT Kgp campus."

Mr. Roy Da Silva (IIT Kharagpur, '74 batch)

Former President, IIT foundation

## Words From the Advisory Committee

"Gopali Youth Welfare Society firmly establishes a hope for a better future where people and especially students inculcate a sense of social responsibility. It is a very impressive endeavour made by the students of IIT Kharagpur by providing free of cost education to underprivileged children. While these students of Jagriti Vidya Mandir are the future of our country, these members of GYWS are venturing in laying out a path for the future of these students."

Prof. Adrijit Goswami  
Professor, Department of Mathematics,  
IIT Kharagpur

"Running a school is no small task. It is only possible due to the hard work and determination shown by the members of GYWS in striving to maintain Jagriti Vidya Mandir. The students of IIT KGP should feel proud of all of their success in providing each child the privilege of good education. GYWS has also shown incredible creativity and motivation in their attempt to rectify as many social problems as possible through various schemes such as Paperkraft and e-Samadhan."

Prof. Amit Patra  
Professor, Electrical Engineering, IIT Kharagpur

*"Atmano Mokshartham Jagat Hitayacha..*  
The words from Swami Vivekananda inspire us in every initiative and action. We are tirelessly fostering the message that- we cannot reach our goals without caring for others. Today it seems a very unknown and forgotten statement in a society full of hatred and individualism. We have taken up this challenge to ensure equity and equality to the future society. We are also engaging us in defining and determining tomorrow with technology advancement and appropriation. I am happy to be associated with GYWS."

Dr. Bhaskar Bhowmick  
Professor, Rajendra Mishra School of Engineering Entrepreneurship,  
IIT Kharagpur

"Gopali Youth Welfare Society (GYWS), run mainly by IIT Kharagpur students, is striving for betterment of children and surrounding people since its inception by not only helping them with food, clothing and shelter but also providing proper scientific education, guidance and care for children in the best way possible. I have seen the never-ending energy of its student volunteers for planning to implement their novel ideas for the improvement of livelihoods of the surrounding people. I am confident that student members of this society will be successful in showing way to others by their path breaking ideas."

Prof. Damodar Maity  
Professor, Department of Civil Engineering, IIT  
Kharagpur

"I am really happy to learn that society is working towards the all-round development of youth and women in the locality though they started with the objective of providing free education to the underprivileged children. I am happy to learn that student's bodies are taking several steps to make the system transparent from a financial point of view and following standard approval procedures for any new initiative or procurement. Finally, I express my heartfelt gratitude to the Executive Committee members, advisors and other team members of GYWS a great success in their endeavour in years to come"

Prof. D.K. Maiti  
Professor, Aerospace Engineering, IIT Kharagpur  
Chief Advisor, GYWS

"Equal education to every child is highly essential in dreaming of a developed nation on all fronts. The Gopali Youth Welfare Society (GYWS) with involvement of our students not only provides an excellent learning environment for the needy children, but also inculcate the spirit of unity, service to nation, kindness, humanity, etc among the talented youth and this is the need of today to see our country developed and glorified in the world. I appreciate the activities of our students through GYWS and wish them every success in their endeavour."

**Prof. Dillip Swain**  
Professor, Agriculture and Food Engineering, IIT  
Kharagpur

"Society is purely the extension of ourselves. Though we stepped into the 21st century there are still several bleak aspects remain in our society especially in the developing countries like India. Illiteracy, poverty, lack of health consciousness, lack of social consciousness, lack of worldly knowledge are major among them. We, the so-called well to do class of these countries should feel for the downtrodden. It's our moral duty to uplift the suppressed from the bleakness they are living in.

Out of these sacred some of the educated youth grouped together to do something in the field and GYWS came into being.

We have strong faith in ourselves and we have the determination that our assembled force will lead us all through the path of the purest desire, we want to do. In our way forward, we need the extended hands of everyone who belongs to our society along with the assembled force . We not only enable them, we, in fact, live from being mere human beings to becoming Divine Human Beings. For in the service of the others lies the Service or Devotion to the Divine."

**Prof. H R Tiwari**  
Ex-Professor, Humanities and Social Science Department, IIT Kharagpur

"The fact that a group of students of IIT Kharagpur run a fully-fledged NGO leaves me filled with immense pride. As an advisory committee member of GYWS and having closely observed all their activities, I can personally speak of the hard work they put in and the level of commitment they show. They are breaking the trends which see IITians aiming at bagging high salary jobs as soon as they enter the campus. These people are contributing back to society and their contribution is making a difference."

Prof. N R Mandal  
Ex-Professor, Ocean Engineering and Naval Architecture  
Ex-Dean SA, IIT Kharagpur

"Gopali Youth Welfare Society is doing a great job of providing free education to the underprivileged students. Their venture is not only limited to child education. They are trying to spread social awareness and education among the village women as well. It involved IIT Kharagpur students for these novel social causes. Being a part of IIT Kharagpur, I feel proud of these students who are putting lots of effort in spite of their busy academic schedule. I wish all the best to the whole group and hope to see many successful students coming out of their school."

Prof. Sasmita Mohakud  
Inspire Faculty, Department of Physics, IIT Kharagpur

"When I first met the group of Gopali Youth Welfare Society, I was amazed to see their enthusiasm in taking part in various social initiatives, especially in spreading free education among village children. I see two benefits of this system. It raises the educational standard of one locality. But the major social impact comes from the involvement of the bright students of IIT Kharagpur in this social venture. These students from various parts of India are getting first-hand experience in such social activities and they are potentially able to spread the awareness and activities nationwide. I hope many more people will be inspired by their enthusiasm."

Dr. Sudipta Datta  
Assistant Professor, Department of Physics, IISER Tirupati

"In a world where most people are struggling to find time even for themselves, these students of GYWS have put precious time and effort into making Jagriti Vidya Mandir an unimaginable success! It is refreshing to see such high spirits and concern for the betterment of the society amongst today's youth. I wish them success in all their future endeavours."

Prof. Sudipto Chakraborty  
Professor, Chemical Engineering, IIT Kharagpur

## About Us

Gopali Youth Welfare Society is a registered non-governmental organisation established in the year 2002 with the idea of giving back to the society. Registered under the West Bengal Societies Registration Act of 1961 in 2004, this NGO operates mainly in villages around Gopali near Kharagpur. The organisation has undertaken various activities in backward areas of Kolkata.

With the twin objectives of making the youth and society aware and of ensuring socio-economic welfare for underprivileged and weaker sections of the society, various projects are being successfully run by the society and have proven to be milestones in bringing the change. The society is trying to help women, children and aged people through basic sustainable guidance and management infrastructures. Projects like Child Rights protection and rehabilitation, LiGHT and PRAYAS are playing an important role in improving socio-economic grounds. KGP Blood Connect has marked the active presence of the organisation in grounds of medical awareness. Initiatives like PRAYAS and Social Cell are playing an important role in motivating the youth and providing them the opportunity to work for the society. The major initiative of the society is Jagriti Vidya Mandir (JVM), an English medium school providing free of cost education to children from weak financial backgrounds.

The society seeks to fulfil its objectives with the help of its executive body which is composed mainly of students of IIT Kharagpur who are dedicated to the service of the needy and deprived under the guidance of professors of IIT Kharagpur. The professors have constantly motivated and encouraged us to achieve our goal. The local members are the pillars of strength of our society. The local support which the society enjoys has seen it prosper and spread its branches and the organisation is now planning to expand its reach by setting up its new chapter in various other cities.

# Vision

To develop an ecosystem for youth to provide them with skills, resources & motivation to achieve sustainable development goals.

# Mission

To improve the social and economic condition in and around Kharagpur & Inspire and guide the youth to replicate our learnings across the nation.

# Objectives

## Journey So Far

From a very young age, Mr. Mrinal Kanti Bhanja, founder of Gopali Youth Welfare Society was remarkably enthusiastic to serve the society. It was his vision that has shaped Gopali Youth Welfare Society in the form we see today.

Gopali Youth Welfare Society was **founded in 2002** and got registered under the West Bengal Societies Registration Act, 1961 in the year 2004. What started as a vision with a few enthusiastic students willing to bring a change has now flourished into a well-recognized organisation today which has changed the way of life of many.

Throughout its journey, GYWS has received support from the **professors of IIT Kharagpur**,

including Prof. Damodar Maity, Prof. Adrijit Goswami, Prof. Sasmita Mahakud, Dr. Sudipta Dutta, Prof. Sudipto Chakrabarty, Prof. D. K. Maiti and Prof. Amit Patra who guided us throughout the journey as the advisory committee. New advisory committee members include Seema Singh, Prof. Dillip Swain and Dr Bhaskar Bhowmick. GYWS presently runs under the able guidance of Mr. Mrinal Kanti Bhanja as President.

GYWS has undertaken several initiatives such as KGP **BloodConnect, Tree Plantation drive, e-Samadhan, Prayas, Helping Hands** and Jagriti Vidya Mandir. In recognition of its activities, GYWS has received a lot of support from many sources such as various NGOs like **Nehru Yuva Kendra, Red Cross, BAM India as well as 3 Bengal Tech Air Squadron NCC**. We have also received constant support from students of IIT Kharagpur and the professors here as well as student run organisations within the institute.

The prime initiative of Gopali Youth Welfare Society is Jagriti Vidya Mandir, an English medium primary school situated in the village Tangosol providing free of cost education to around 250 children from financially poor backgrounds.

What started as a small venture held in a rented classroom at I.M. High School is now a successful primary school situated on its own 2 acres of land in Salua, consisting of 4 complete units, comprising 8 classrooms. All of this progress could not have been possible without the help of the IIT students, the professors of IIT Kharagpur in helping with the construction process and TIARA Foundation.

Though JVM remains this society's major initiative, it has conducted many other undertakings and welfare schemes as well. Welfare schemes of GYWS cover a wide range of issues including free education, social awareness campaigns, vocational training, child labour issues, health camps and women empowerment.

The present scenario is quite incredible with a vast number of members, ranging over UG students, PG students, research scholars, alumni and support from professors, individual donors and various industries. The organisation currently operates in Kharagpur and we are expanding our vision to other cities of India under the LiGHT Initiative.

Under the initiative LiGHT, the expansion program of GYWS, undergraduate members have aimed at forming a PAN India network of socially motivated students. LiGHT works on its 8 listed objectives-L8 which are Quality Education, Women Empowerment, Healthcare Awareness, Save Environment, Youth Upliftment, Social Awareness, Food for all, Collaboration to succeed through teams formed in various colleges across India, integrating all the ideas, experience and efforts of different minds across the nation under the lead of the centre at IIT Kharagpur and hence delivering optimum results due to participation of all.

New initiatives introduced this year include Aarohan, Innovative Education Council and Hostel Project for the students of JVM.

## IIT Kharagpur Chapter

The IIT Kharagpur Chapter is primarily managed by the IIT Kharagpur members under the guidance of some professors. This group is responsible for the undertaking of any projects initiated by Gopali Youth Welfare Society, maintaining relations with the IIT professors, spreading the word in and around the campus, fundraising and maintaining financial accounts.

The IIT Kharagpur chapter primarily works in and around the village Gopali, chiefly concerned with smooth operation and development of Jagriti Vidya Mandir, an English Medium school run by GYWS for providing free of cost education to underprivileged children. Many other initiatives are undertaken by the team such as KGP BloodConnect, medical camps and various awareness and training workshops.

Promotion of GYWS in various extension programs in colleges throughout India is done by these members. IIT Kharagpur chapter also maintains the website and releases GYWS Annual report and Audit report.

## Jagriti Vidya Mandir

Marking illiteracy as its prime concern, GYWS embarked on an education program in April 2008: Jagriti Vidya Mandir, an English Medium primary school. Its main motto is "To educate each and every child for a better tomorrow". GYWS is focused upon providing quality education aimed at educating the children, imbibing the true ideals of humanity in them and thus enlightening the future generation paving the way to a prosperous tomorrow built on a strong today.

Jagriti Vidya Mandir is an English Medium School which aims to provide quality education to underprivileged children absolutely free of cost. It is located in Tangosol village, 1.5 km from Salua Air Force Station which in turn is 5 km from IIT Kharagpur campus. The school is running in its full-fledged form from 15 April 2008. At present, classes up to 5<sup>th</sup> standard are running. Ten full time faculties give their services as tutors. Our target group is BPL (Below Poverty Line) students and dropouts. We provide

books, uniform free of cost to the BPL students and at a nominal fee for other students.

There are about 250 students enrolled in Jagriti Vidya Mandir from Nursery to Class 5. The school timings are 8 a.m. to 1:40 p.m. There are 10 teachers, with the teacher in charge being

Mr. Ajoy Roi. The school also has 4 Aya and some helpers. After a student completes his class 5 from JVM, he is sent to Hijli High School. The educational expenses of the kids are covered by Gopali Youth Welfare Society.

Earlier the school used to run on the rented campus of another school, Gopali I.M. High School from 7 a.m. to 10 a.m. Now, JVM aspires to be a residential full-fledged school for students of BPL families offering a variety of courses at +2 level, vocational training and career guidance.

# Society Activities

The event started with the principal's speech about the freedom struggle and hardships that our freedom fighters faced for our country's independence followed by the hoisting of our proud nation's tricolor flag by the hands of our chief guest. After the national anthem it was time for the students to participate on that day. Performances like dance, songs and speeches in english, hindi and bengali were made by students of JVM of classes nursery to class 5th. Teachers of JVM too participated by giving speeches about great leaders like Subhash Chandra Bose and Mahatma Gandhi. After all the performances everyone present there paid a homage to our freedom fighters. In addition to this, prizes were distributed to the students for their participation in various activities. Students who had shown best drawing

performance the previous day were awarded with prizes for their skills and dedication. The event ended with the national song of India and distribution of refreshment to students for celebration of independence day.

**5. Output of the program:** Students came to know about the significance of our freedom and the countless efforts made by our freedom fighters for us through speech given by their teachers and principal. Also, performing dance or singing patriotic songs in groups in front of a large audience helped them in boosting their morale and confidence. Overall the aura of the environment motivated them to do something for the nation and raise the name of the motherland throughout the world.

## Leadership Statement

Dear Stakeholders,

The session of 2023-24 has been a major milestone in the history of LiGHT. We have taken several steps to build a more efficient team at headquarters. We also established well defined management systems to help achieve the vision of delivering skillset and similar social development capabilities to the youth throughout the nation which we at GYWS-IIT Kharagpur Chapter have developed in the past 16 years. This letter to the donors, beneficiaries and our members, will explain the improvements in the past 1 year which we have seen in LiGHT and present the promising future prospects as managers of this initiative.

### **Improvements in the Management from Headquarters**

We have been able to enhance the quality of management from headquarters by bringing in more professional and standardized process improvements in terms of volunteer management and new social initiatives. Along with these improvements we indulged in research and development activities to understand the appropriate recruitment strategies, hierarchies, and expansion strategies which will help us in future.

We established well-thought 2-tier hierarchical systems at our centers, backed by a headquarter centric management model. We assigned GYWS IIT Kharagpur chapter-based center in-charge teams, to better manage the development of the centers. We alone at the headquarters increased our team size by 200%, and clocked more than 3000+ hours of volunteership service towards the development of this network.

### **Volunteer Strength & Centers Development**

With a dedicated management team at the headquarters we were better equipped to build and execute our plans at the center level. We not only increased the quantity of centers in our network by more than 100%, but also worked on the quality of work which we do. We established active teams at our 9 centers with 150+ registered volunteers, which are college students like us, with a motivation to give back. Along with these quantifiable metrics, the enhanced motivation of the members present at these individual nodes of our network further strengthen our belief in the vision which we have put forward.

### **Social Activities**

We realized that along with formation of teams, we also need to involve these people into well-designed social activities to help them learn by doing things on their own. We organized two nation-wide social activities in the field of education, one on training teachers for using a more student-centric approach towards teaching and second to inform the students of secondary school about various career paths available to make an informed decision regarding what they want to do in their lives. Through these programs we were able to impact 5000+ beneficiaries, at the ground level. Along with these we also provided our center

with the opportunity to perform their own social activities at the local level, and achieved promising outcomes through it.

### Promising Future Prospects

This year has allowed us to test our multiple assumptions and hypotheses at the ground level. We have also made several mistakes along the way, which have made us more experienced, and equipped to achieve the vision which we have established of building a network of autonomous student run centers across the country. We not only have a more efficient and experienced team than last year, but also a more motivated one.

In the coming tenure we aim to deliver explicit skill-development opportunities to the youth who join our network with the help of educational workshops, followed by actual ground level initiatives to instill the social initiative design framework in them. We also aim to establish better team structures at our center, and bring in multiple new stakeholders like professor in-charges, social workers which can help us in improving the overall network quality. Along with these, we will also work towards delivering better and more far-fetched social initiatives in the coming tenure.

We also take this opportunity to thank all the volunteers, beneficiaries, other teams and donors to help us in this journey. We will work even harder this year to deliver more promising results and take a further step towards our vision, in the coming tenure.

## LiGHT Samvedna

As our motto goes, creating leaders who solve social problems with engineering skills and help to build a better future, so was our experience this tenure.

LiGHT Samvedna, a student-run NGO at Government College of Engineering Chhatrapati Sambhaji Nagar and part of Gopali Youth Welfare Society (GYWS) at IIT Kharagpur, promotes social change, education, and financial assistance for children.

It aims to develop leaders to solve social problems using engineering skills and runs healthcare initiatives to improve access to services.

Vision: LiGHT Samvedna envisions a world where everyone has access to quality education, healthcare, and resources to live sustainably and empowered, fostering leaders who solve societal issues through engineering skills to build a better future.

Mission: LiGHT Samvedna aims to drive social change by promoting education, running healthcare initiatives, advocating environmental sustainability through 'Swachh Bharat Abhiyan', developing leaders to address social issues with engineering skills, and empowering communities to contribute to social change. By focusing on these areas, LiGHT Samvedna strives for a more equitable and impactful world.

LiGHT SAMVEDNA organized several impactful events, beginning with an Orientation Program on August 28, 2023, at GECA, attended by over 80 first and second-year students. Chief guests Dr. Shilpa Kabra and Prof. S.P Atipamulu inspired students, while team leaders presented the club's activities and goals. A Blood Donation Drive followed on September 26, 2023, in collaboration with the Rotary Club and Government Medical College, attracting 130 donors and featuring prominent participants like Principal Dr. Anjali Bhalchandra. Later, on March 16, 2024, Dr. Rashmi Borikar led a session on women's health at the GECA Girl's Hostel, which addressed menstrual health, PCOS, and nutrition, attended by over 100 girls.

## LiGHT Palakkad

The LiGHT center at Palakkad started around a year ago and I have been part of it from the very beginning. The journey has been a roller coaster ride for me as the Center Coordinator. I feel that the CEO of LiGHT, Mr. Prerit Jain, and his team at LiGHT headquarters have played an essential role in defining the structure of LiGHT Palakkad. Mr. Aniruddh Solanki (SEM and Center Incharge of LiGHT Palakkad) along with all the CTMs, volunteers, and my counterpart Mr. Nishant Singh (Center Coordinator) has contributed a lot in laying the foundation of this center.

LiGHT headquarters keep everything documented and have proper SOPs for each task, event, and interview which made it very convenient for me and my team to execute any task given to us. We as a team have learned a lot from them and we are still part of the learning process.

At the end of the first year, the center has grown and currently has 2 CCs, 18 CTMs, and 7 volunteers. We have been part of many activities which evolved us over the period and have helped in developing essential skills. Throughout my tenure, I have always tried to keep the members motivated and involved in the process and I hope that LiGHT Palakkad will soon become a self-sustainable student-run NGO.

## LiGHT Gaya

"LiGHT Gaya," a founding center of the LiGHT network, embodies collective effort. Inspired by Majrooh Sultanpuri's words, "I set off alone towards my goal, but people came along and it began to turn into a caravan," LiGHT Gaya began in 2018. Adarsh Priyadarshi, a third-year student at Gaya College of Engineering, sought to give back to society. His vision aligned with LiGHT's mission, leading to the establishment of LiGHT Gaya in the historic city of enlightenment. Adarsh's efforts expanded our team from two to many, dedicated to uplifting the local community. We focus on supporting marginalized sections and driving meaningful change through innovative ideas. LiGHT provides a platform for service and personal growth at our college.

Our team is committed to achieving the sustainable development goals. We work tirelessly to improve our surroundings, not just for ourselves but for others as well. We take pride in being part of an organization that empowers the youth to tackle societal challenges. This past year, we organized community events, donation drives, and educational workshops, bringing joy and support to those in need. These activities have enriched our community and team, deepening our understanding of leadership and teamwork. Moving forward, we aim to continue making meaningful contributions and expanding our impact, inspired by the collective spirit of LiGHT Gaya.

## LiGHT Wardha

LiGHT Wardha is committed to empowering underprivileged communities in Wardha and surrounding areas by providing access to education, healthcare, and basic necessities. We strive to create sustainable solutions through community involvement and collaboration, and to raise awareness about social issues that affect these communities. Our goal is to create a brighter future for all individuals and communities we serve.

LiGHT Wardha organized a series of initiatives, starting with a visit to an old age home, where 38 welfare kits were distributed to bring comfort and joy to the residents, highlighting the importance of caring for our elders. An Elocution Competition followed, with 50 entries and 10 finalists, providing a platform for students to enhance their oratory skills and spark meaningful discussions. The club also launched a Recruitment Drive, inviting passionate individuals to join their mission of creating positive change and empowering youth to contribute to social impact and innovation.

## LiGHT Sindri

LiGHT Sindri, started with nine members in May 2021 with a mission of focusing on those sections of society that are still untouched and need to be worked upon for a better society with a vision of becoming an autonomous center. With 42 currently active members, LiGHT Sindri has successfully completed 7 events during its 2023-24 tenure and are looking forward to work in the upcoming tenure with some exciting plans for the region nearby Sindri.

LiGHT Sindri organised an engaging interactive session during the juniors' orientation of batch 2023, which was met with great enthusiasm. The juniors participated actively, enjoying the fun activities and games. This session helped break the ice and foster a sense of community, making the newcomers feel welcomed and excited about their journey ahead.

LiGHT Sindri eagerly embarks on a new term, brimming with enthusiasm and dedication. The members are committed to working tirelessly to achieve their goals, moving closer to full autonomy. LiGHT Sindri is devoted to serving the community, beginning with the residents of Sindri.

## LiGHT Raipur

Mission: We strive to cultivate a positive mindset and equip young people with the necessary skills and resources. We aim to empower the lives of the underprivileged by taking various social problem-solving initiatives.

Vision: We aspire to be a driving force, in helping the youths and the people of underprivileged section, in and around Raipur, and addressing social issues in the society.

It was established in 2019 and is solely run by the students of NIT Raipur.

During 2023-24, LiGHT Raipur organized impactful initiatives, starting with a Cloth Donation Drive to collect and distribute clothing to individuals experiencing homelessness and low-income families. The Internship Ignition webinar connected students with experienced seniors, offering guidance on securing internships and featuring insights from accomplished speakers. Additionally, a Cleanliness Drive focused on promoting environmental stewardship by cleaning gardens and raising awareness about waste management practices among youth.

## LiGHT Gwalior Thatipur

LiGHT Gwalior Thatipur Located at Madhav Institute of Technology and Science, Gwalior, Madhya Pradesh. This Centre is dedicated to undertaking numerous impactful tasks in the realm of social services with a steadfast commitment to societal development and transformation. LiGHT Gwalior Thatipur was established in May 2021.

Mission: Our mission is to provide essential services and awareness in tiny schools, allowing youth to demonstrate their unique ideas, abilities, and expertise.

VISION: Vision of Light Gwalior Thatipur is to spread to the weaker section of students about their rights, advantages from the government side, responsibilities and to reach them to become a better human being.

LiGHT Gwalior Thatipur's flagship event, KHEL-E-EHSAAS, launched in March-April 2023, marked a significant start to a series of impactful initiatives in 2023-24. In collaboration with Paliprayas, a Climate Change Seminar was held at Navyug School, Gwalior, engaging 400 students in discussions on climate impacts and sustainable practices. A Winter Clothes Donation Drive followed, collecting over 1,200 items for residents of a slum area in DD Nagar, Gwalior, thanks to strong community support. Additionally, a Plantation Drive saw the team plant 50 saplings across temples, parks, and schools to promote environmental sustainability and beautify community spaces.

## LiGHT Gwalior Sithouli

LiGHT Gwalior Sithouli was established in April 2020. The center was started by the students of ITM Group of Institutions, Gwalior. Some socially motivated students of this college were running an NGO named 'Prayaas' and Shubhansh was leading it. The NGO stayed active for 6 months and was also not registered. They were having a plan without a mission. So they started seeking a platform in order to get guidance and sources for a better organization. Later on, they came to know about LiGHT, and finally, after digging deep into the contribution that LiGHT has done to society, they decided to join LiGHT(GYWS). After finally getting established, LiGHT Gwalior Sithouli never stops growing and improving the society around them. Currently, they are actively working in LiGHT designing activities and performing various tasks.

" Everything starts with a plan. If you have it, then nobody can stop you!" This is what LiGHT Gwalior Sithouli believes.

## LiGHT Testimonials

Hello! I am Krishna Goyal, Center coordinator of LiGHT Gwalior Sithouli. For the past couple of years I was a part of LiGHT first as a CTM and afterwards as a CC. I have been a part of many events and LiGHT has helped me in developing skills such as - Team Management, Delegation, Coordination, Scheduling, Time management etc. and I'm pretty sure that all these skills will definitely help me in different areas of my life.

LiGHT team has always been very supportive and helpful. I wish all the best to my juniors and LiGHT for their future tenure.

**Krishna Goyal Centre Coordinator**

**LiGHT Gwalior Sithouli CC.**

My journey with LiGHT WARDHA started in my second year as a design team member. It's been an immensely rewarding experience that has fostered both personal and professional growth. Being the Centre Coordinator has been incredibly fulfilling. Organizing and executing events like cloth donation drives and fundraising activities has been a highlight. These experiences emphasized the importance of community engagement and collaboration. The most satisfying part was witnessing the positive impact our efforts had on the community, giving my work a deep sense of purpose. I'm incredibly grateful for the inspiration drawn from the dedication and commitment of my fellow team members. Their tireless efforts, consistently exceeding expectations, have been the backbone of every successful event.

**Sakshi Rakhunde**

**Center Coordinator**

Working as a Centre Coordinator at LiGHT WARDHA is a fulfilling and rewarding experience. LiGHT provides me an opportunity to make a positive impact on society and contribute to meaningful causes. I learned a lot about the importance of community engagement and the power of collective action. Most valuable experience for me was organizing and executing events. It required me to think creatively and work collaboratively with different peoples to achieve our goals. Seeing the impact of our efforts on the community was truly satisfying and gave me a sense of purpose. I learned a lot from our Centre Incharge from IIT KHARAGPUR. Their consecutive guidance helped me a lot. Mahesh and team thank you for being there. It was inspiring to see our team members' efforts to make it possible. My team members have put their 100% in making every event successful. I look forward to working for LiGHT to help the community.

**Aryan Buchunde**

**Center Coordinator**

Working with LiGHT, an NGO dedicated to societal development, has been an incredibly rewarding experience. Their commitment to improving communities and fostering sustainable development is truly inspiring. LiGHT's innovative approaches and unwavering dedication have made a significant impact on our projects, bringing tangible improvements to the lives of those we serve. The collaboration has been seamless, with a shared vision and mutual respect driving our collective efforts. LiGHT's expertise and passion have elevated our initiatives, and I am grateful for the opportunity to work alongside such a dynamic and impactful organization.

Volunteering with LiGHT GAYA has been an incredibly wonderful experience. Through their various community outreach programs, I had the opportunity to work on diverse projects that significantly enhanced my skills and broadened my perspectives. From coordinating events to participating in grassroots campaigns, every task was a learning experience.

The supportive environment and mentorship provided by CC's and teammates (CTM's) empowered me to take initiative and develop leadership qualities. This experience has been instrumental in shaping my career path and personal growth. I am deeply grateful to LiGHT GAYA and GYWS Society for giving me the chance to contribute meaningfully while gaining invaluable experience

-- **Kaivalya Kumar (Core Team Member)-**

"My experience with LiGHT has been truly incredible and memorable. It was my first exposure to contributing to society and it was successful by the cooperation of such a wonderful team of LiGHT Gaya. The dedication of our team helped us in achieving our thoughts and plans. It is a pleasure to be a part of this team and I would like to thank everyone for their support and love."

Providing kits

- Having a play around
- Indoor play
- Distribution of Smiley Balls

LiGHT Gwalior Thatipur has provided the sports kits to the school for students. Has

provided them with carrom board, cricket kit, badminton racket and balls. Spreading smiles has always been one of the major goals and we tried to achieve it by playing with them and trying to indulge them in different games. This was not limited to outdoor games. We also organised some indoor

activities such as musical chairs .At the end of the successful execution we distributed Smiley balls containing smiles as beautiful as those students.

##### **5. Output of the Program:**

The program was successful in achieving its goals. A total of \_\_\_ disabled individuals were provided with sports equipment. Of these, 30 individuals reported that they were participating in sports on a regular basis. Additionally, the program was successful in raising awareness of disability sports in the local community, with several community events being held to promote disability sports.

##### Recommendations

To improve the program in the future, the following recommendations are made:

1. Increase the funding for the program to allow for more individuals to receive sports equipment.
2. Provide additional support to individuals who are interested in participating in sports, including coaching and mentoring.
3. Expand the range of sports equipment provided to include a wider range of sports.
4. Increase the promotion of the program to ensure that more disabled individuals are aware of the program.

# RISE

## Vision

We aim to **reform** our **education system** by shifting it towards an **organic learning\*** approach and ensuring **holistic development** of every child.

**Organic learning** is learning that occurs in a natural state. It is learning that develops from within a child (or adult). The child develops curiosity about a topic, concept, problem, or idea, then seeks out methods to satisfy this curiosity.

## OBJECTIVES

## OUR APPROACH

Children grow and learn by being active and involved. They learn by playing, interacting with others and learning by doing. We aim to use these natural play and learn process of children to teach them maths in the existing curriculum for classes 1-5. Moreover, we have developed a list of 100 activities to conduct in classes Nursery to 5, which are essential for holistic and overall development of a child. We provide booklets and kits, training to teachers to help them seamlessly transform the daily classes into fun and interactive learning sessions and continuous evaluation for improvement of our methods.

## RISE Events

### Parents as CoEducators (PACE)

1. **Date:** 22ND May-16TH June '23
2. **Objective of the Program:** We initiated Parents As CoEducators program with an aim to solve the above problems. The program involved the parents unlike other online education solutions which would not only reduce the screen time of students but also enhance the relation between parent and child. The program focused on holistic development of children studying in Class UKG - Class 5. Activity videos were sent 5 days a week to the parent involving topics like- **Meditation, Art & Craft, Motor Skills, Logical reasoning and Social & emotional development** (1 activity each day per each topic).

# EXCEL

1. **Date:** 5th - 6th August '23

2. **Objective of the Programme:**

The EXCEL 2023 event successfully addressed the critical issue of limited career awareness among students, offering a comprehensive platform for them to explore both conventional and non-conventional career paths. The two-day online workshop, held on the 5th and 6th of August, provided valuable insights to students from Grades 6 to 12. The event aimed to empower students by expanding their understanding of potential career opportunities and encouraging them to make informed decisions about their future. Through knowledge-based questions administered via Google Forms, participants were actively involved in the learning process. These interactive sessions helped students to not only gain information about various career choices but also sparked their curiosity to delve deeper into their interests.

# Scinovate

## 1. Date-

Phase 1- Feb 3, 2024

Phase 2- Feb 6, 2024

Phase 3- Mar 2, 2024

## 2. Objective of the Program-

The objective of Scinovate was to foster a stronger interest in science education among students, addressing the prevalent need for hands-on learning experiences and the exploration of real-world applications and career opportunities within scientific fields.

The programme was conducted in three phases:

- Phase 1:

- Provided science project ideas to students of Kendriya Vidyalaya.
- Explained the underlying science behind the projects to facilitate understanding.
- Prepared students for their upcoming science exhibition, fostering curiosity and interest in scientific exploration.

- Phase 2 and 3:

- Conducted science experiments for students of St. Agnes and Jagriti Vidya Mandir.
- Aligned experiments with their curriculum to reinforce classroom learning.
- Offered hands-on experiences to help students grasp scientific concepts more effectively and develop a deeper understanding of the subject matter.

Through these phases, Scinovate aimed to inspire and engage students in science, enabling them to explore the subject in a practical and meaningful way, thereby laying a solid foundation for their future academic and career pursuits in science-related fields.

### **4. Experiments Demonstrated/ Explained-**

- [Phase 1](#)
- [Phase 2](#)
- [Phase 3](#)

### **5. Output of the program-**

#### *1. Innovative Project Ideation:*

- Students at Kendriya Vidyalaya were presented with intriguing science project ideas, sparking their curiosity.
- Understanding the scientific principles behind these projects deepened their appreciation and comprehension of the subject matter.

#### *2. Engaging Practical Experiments:*

- At St. Agnes and JVM, students actively participated in stimulating science experiments, directly aligned with their curriculum.
- These hands-on experiments served to reinforce classroom learning, making abstract concepts more tangible and memorable.

### 3. Interactive Learning Environment:

- Through immersive hands-on experiences, students delved into scientific inquiry, fostering a dynamic and collaborative learning environment.
- The exchange of ideas and active engagement promoted a deeper understanding of scientific concepts and encouraged peer learning.

In essence, Scinovate succeeded in making science education more engaging and accessible to students. By blending practical experimentation with theoretical knowledge, the event instilled a renewed passion for scientific exploration and learning among participants, paving the way for future endeavors in science-related fields.

# Achievements

- GYWS has been empaneled in the National CSR Hub by **Tata Institute of Social Sciences**.
- We have started construction of the permanent campus of our school Jagriti Vidya Mandir and we have finished construction of 4 units.
- Jagriti Vidya Mandir continues to grow and prosper, with around **250 students** studying at the school from Nursery to Class 5.
- Due to the pandemic constraints, we have started online classes for JVM students in 2020 and in 2021. We distributed smartphones among students who need it, this helped them to continue their studies and conduct online classes with increased attendance.
- We have constructed a hostel consisting of a boarding room, mess and main hall for students of class 6 and above.
- GYWS has successfully **rescued 12 child laborers** till now, who are all currently enrolled in local government schools.
- The activities of GYWS are appreciated by the entire academic community of IIT Kharagpur. Praise for GYWS has come from all quarters, including alumni, professors and students.
- GYWS took many initiatives this year which helped different sections of the community on a national level like Pan-India case-study competition Adhyayan in January 2021, Internship program in July-August 2020 and Social fest in April 2021.
- Most important achievement of GYWS has been harnessing the potential of IITians (cream of Indian Education system) and utilizing it in constructive work at grass root level. It raised the level of confidence and self-worth among students and is sure to take them ahead in life.
- GYWS has successfully increased its reach over the web in recent years. Currently having 18,981 likes, on the Facebook page which is now verified. We are also on Instagram, Twitter, LinkedIn, Medium and Youtube.
- GuideStar India, one of India's largest and most reliable NGO information repositories has recognized us and our information is available on it.
- On an international level, GYWS can now avail support from Techsoup, a nonprofit international network of NGOs that provide technical support and technological tools to non-profits.
- Amazon India has recognized our efforts towards good and we are now empaneled under CSR policy through their Gift a Smile program. The link to our wish list has already been put up on the website and can now be used by Amazon users to make donations to us, the link to which is <http://tinyurl.com/gwys-amazon>.
- GYWS has stood against global pandemic Covid-19 and helped many needy people in difficult times with ration through the Food Kit Distribution program.
- After the unfortunate cancellation of Aashayein due to pandemic in 2020, Aashayein was conducted successfully in 2021 following all the precautionary measures.
- GYWS has started a hostel for the students of JVM in March-2021. Students will have a conducive academic environment which they lacked at their homes and will be provided all the facilities necessary for a happy and safe stay- nutritious meals, playground facilities, security.

## Gratitude to Donors and Associates

The premise of the Annual Report will always seem inadequate to name the endless list of our donors, sponsors and well-wishers from various sections of the society. Our heartfelt gratitude to all those who have shouldered the responsibility with us. Our endeavour has been constantly supported by IIT Kharagpur students and alumni. In this respect we receive monetary as well as advisory help from them. We expect such continued support and encouragement in the years to come so that we can work in unison towards living our dreams. We are grateful to Tiara Foundation, Tata Institute of Social Sciences, Nehru Yuva Kendra Sangathan and 3(B) Tech Air Sqn NCC for partnering with us in our endeavours. Their support and association are our assets. We aspire for this bonding to grow and prosper in future.

## You Can Help Too

We shall be glad to acknowledge any kind of support for our movement and also for various projects.

GYWS like any other non-profit organisation needs financial support from kind sponsors in order to run and extend its several services and activities.

Following are the ways in which you can support us and thus the NATION.

### Educate A Child

Take the monetary responsibility of a child in our school.

There are many students studying in JVM, whose family economic condition is very poor. For such students, who cannot afford to buy even a pencil, we have a scheme called Educate A Child (EACH). Under this, anyone can come forward and help these underprivileged but bright kids to carry on their studies and brighten their future.

## Make A Contribution

Regular contributions and one-time donations are welcomed.

## Sponsor

Anyone willing to sponsor uniforms, books, and other class utilities can do so by funding the corresponding expenditure.

## Spread The Word

Let other people know about our NGO. Inspire them to take part in this mission.

## Feedback

You can always help us with your valuable suggestions and reviews.

**AUDITORS' REPORT**

*To the Members of  
GOPALI YOUTH WELFARE SOCIETY*

1. We have audited the attached Balance Sheet of. GOPALI YOUTH WELFARE SOCIETY as at 31<sup>st</sup> March, 2024, Receipt and Payment A/c and also the Income & Expenditure Account for the year ended on that date annexed hereto. These financial statements are the responsibility of the company's management. Our responsibility is to express an opinion on these financial statements based on our audit.
2. We conducted our audit in accordance with auditing standards generally accepted in India. We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit and in our opinion the society keeps proper books of account voucher, documents, register etc. Some of the funds and donation are capitalized while other are not and the decision is taken annually by the management.
3. We further report that the Balance Sheet exhibits true and fair view of the state of affairs of the society and also the Income & Expenditure Account exhibits true and fair view of the excess of income over expenditure for the year ended on that date, with respect to the books of account voucher, documents, register etc.
